A MESSAGE FROM THE DOM

The month of May is often a time when churches begin a focus on the family. Typically, during the weeks from Mother's Day through Father's Day emphasis is placed on the value and importance of Godly homes and families.

In Ephesians 3:14 and following, the Apostle Paul states the importance of family. He starts with the acknowledgement that every family derives its name, or standing, from the Father. Paul goes on to declare that the Father provides each family the riches of His glory and inner fortitude.

God does this with the intent that Christ will be "at home" in each family. God's desire is that Christ will be the root that provides the sustenance needed in each family. It is also His desire that we be established upon the foundation of His gracious love. This is toward the aim that the Christian family live with the comprehension of the fullness of God's grace and love. This fullness exceeds our feeble attempts to know God based on our circumstances—past, present, or future.

WOW! This is an awesome statement! I hope that Christ is at "home" in your life and family. God's blessings depend on Him being comfortable with us more than our being comfortable with Him. The truth is the more Christ is "at home" with us, the more we will be at peace with Him.

In His service,
Don Smith
