A MESSAGE FROM THE DOM

The process of building the WBA Ministry Center has been a demonstration of the greatness of God. As we began praying about constructing the new facility, we desired that God's power would be clearly seen through it all. As we moved forward with the project, my faith has grown.

This growth has not been because of trials or problems. Each step of the journey has revealed the presence and power of our mighty Father. The Lord has provided the manpower, resources, skills, finances, and protection needed at every point of the construction.

Recently we began to lay the bricks to cover the exterior walls. We have delayed this phase while attempting to secure a team of volunteers to do the brickwork. I believed that God would provide volunteers to do this work or He would provide the financial contributions to cover hiring a crew. After not being able to secure a team of volunteers, I began seeking to hire a crew. The day they began laying the bricks, we received a contribution that equaled 80% of the labor cost. We have an awesome God!

We meet October 7 for the 145th Annual Meeting to celebrate what God has done and is doing through the Winston Association. Come prepared to share how God revealed His greatness in your church this past year. Come prepared to experience what God can do this coming year.

In His service,
Don Smith 

Let your Pastor know how much you appreciate him and his family!
